QR Wash Payment & Partner Opportunity

A QR payment and dashboard add-on for self-service car wash operators, equipment suppliers and referral partners.

Operator demo	Partner dashboard
scudosystems.com/demo-01	scudosystems.com/demo-01/partner-dashboard PIN: 2026

Why this matters

Useful add-on	Can sit alongside existing car wash equipment and payment systems.
More operator revenue	Bonus credit packs can encourage higher top-ups and repeat use.
Referral-ready	Partners can introduce operators and track setup/monthly commission.
White-label possible	The product can be adapted around partner branding and operator needs.

Commercial model

Pilot site setup	From £799 one-off	QR payment page, dashboard setup, branding, pricing packs and launch support.
Monthly per site	From £199/month	Hosting, dashboard, reporting, payment flow maintenance and support.
Multi-site	Custom	Discounted rollout and central reporting for groups.
Custom integrations	Quoted separately	Machine-start integrations, loyalty, staff controls or bespoke reporting.

Partner option

20% of setup fee	Paid when a referred operator signs up and pays the setup fee. Example: £159.80 on a £799 setup.
10% monthly for 12 months	Recurring commission on the monthly subscription for the first 12 months of each referred customer.
White-label / reseller	Custom commercial terms available for larger partner relationships.

Features included

QR payment page, bonus credit packs, operator dashboard, recent transactions, revenue reporting, projected revenue, recommendation controls, QR signage support, multi-site reporting and optional loyalty features.

Customisation

Open to customisation around branding, equipment setup, payment flow, reporting needs, referral dashboards and white-label models.
